Contractual partners / Protection of data privacy

With my signature I declare that I have been informed about terms and conditions and services charges of France Telecom Mobile Satellite Communications. I agree to abide with and be bound by those terms and conditions. I agree that France Telecom Mobile Satellite Communications GmbH will collect information at banks or companies dealing with economic information in order to prove the degree of creditworthiness and will, to protect legitimated interest, hand over this information in case of breach of contract. I agree that France Telecom Mobile Satellite Communications can process and utilize the data hereby provided. In accordance with applicable law, I have a right to access, modify, correct and suppress information relating to personal data.

For companies and public authorities only: I am authorized to sign in the name of my company / authority. The works council or the representation of personnel has been informed (if legally necessary).

I am aware of the fact, that sending an SMS from ship to shore will cost me the normal charge for emails plus one data-segment for the SMS. Furthermore we will delete SkyFile C accounts, which are not used for longer than 18 month.
